MEMORANDUM FOR THE RECORD

1. [ ] --re OMB refusal to provide CI manpower to FBI on grounds it is not supported by DCI. I assured him that this allegation of DCI position was untrue. I restated to him DCI views supporting FBI budget for technical collection on targets of direct interest to the Intelligence Community and his willingness, subject to legal constraints, to use CIA Congressional access to provide FBI a secure forum to defend the technical intelligence gathering needs and funds. I explained that Comptroller, CIA, would be working out details with OMB and FBI directly.

2. Re FBI request for counter-intelligence manpower, I noted this is entirely an FBI requirement--and outside the purview of the DCI. I reported the DCI took no position with OMB on this aspect of their budget request, but was generally sympathetic with the Bureau's adequately staffing to fulfill its perceived CI needs.

3. Subsequently, I established this position with Mr. Ogilvie, OMB, who assured me he fully understood the DCI position and would make this clear at OMB. This was passed back to [ ]
